

Tinder is Named #1 Best Place to Work by Built In LA

Earns Recognition in Multiple Categories Including #1 Company LA and #1 Best Benefits LA and Best Paying Companies LA

LOS ANGELES, Jan. 14, 2022 — Tinder has been named to [Built In LA's 2022 Best Places To Work Awards](#) in the following categories: #1 Places to Work in LA; #1 Midsize Companies to Work For in LA; #1 Companies with the Best Benefits LA; and Best Paying Companies LA. The annual awards include small to midsize companies, from startups to enterprise, in Los Angeles

“People are at the heart of Tinder’s mission: and it all starts with our employees,” said Nicole Senior, Vice President of Diversity, Equity, Inclusion and Culture. “We are excited to be recognized for the experience we create for people at Tinder. Providing a work culture that is fun, supportive, and energizing is top of mind for us. Whether our employees enjoy flexibility or tranquility, the communal garden or the meditation room, or are looking for wellness and learning programs, we’ve put the infrastructure in place to meet their needs.”

Built In determines winners for Best Places to Work using their internal database which is algorithmically based on compensation and employer benefits. Compensation is determined by taking the median percentile for all company salaries and comparing them to all of the entrants. Benefits are weighted by category including Health & Wellness, Financial Planning & Stability, Flexible Work Environment, Diversity & Culture, Professional & Social Impact, and Perks & Discounts.

“It is my honor to extend congratulations to the 2022 Best Places to Work winners,” says Sheridan Orr, Chief Marketing Officer, Built In. “This year saw a record number of entrants—and the past two years fundamentally changed what tech professionals want from work. These honorees have risen to the challenge, evolving to deliver employee experiences that provide the meaning and purpose today’s tech professionals seek.”
