

Here Comes the Pride

Show your Tinder Pride and we may swipe you down the aisle.

In celebration of Pride this summer, we're giving away a dream wedding to one of Tinder's greatest success stories. There are countless types of success that come out of a serendipitous Swipe Right. This week, we want to spotlight a special kind of Tinder success—two people ready to tie the knot.

We're excited to be able to give back to the LGBTQ community, who have been an important part of Tinder from the start. We believe everyone has the right to marry their perfect match, so today, we're looking for one extraordinary couple to win a Tinder dream wedding.

If you met your partner on Tinder and you're ready to take the plunge, we invite you to share your story on Instagram for a chance to win your dream wedding, paid for by Tinder.

Here's how it works:
